At ESG Tech Serve we cater for a wide range of businesses from small standalone premises to worldwide global restaurant and hotel brands.

We provide a full service offering supplying catering equipment, installation, planned preventive maintenance and service response to break downs 24/7 365 days of the year. Our priority is keeping your business running.

Working in partnership ESG Tech Serve Ltd and Electrolux Professional can deliver the right solutions for your business needs - increasing productivity, reducing downtime and increasing profits.

SpeeDelight: Fast has never tasted so good

Branded signature features developed by professionals for professionals

TRIPLE PLAY

A combination of 3 cooking technologies: **contact plates, infrared radiation and microwaves**, for a **perfectly even temperature**, outside and in.

HAS YOUR BACK

The lid rises **automatically** when your customer's snack is ready. No burning - it's foolproof!

PERFECT SQUEEZE

The upper plate settles with just **the right pressure at the touch of a button**.

IDEA MATCHER

Let them experiment to their heart's content. Easy-to-use cooking options and quick-start buttons for a potentially **unlimited menu**.

24/7 smart connection

SpeeDelight is so **much more than a standalone machine**: it integrates perfectly with outlet management systems so you can use data flows to their best advantage. Thanks to the USB port and wifi

capability, using any mobile device, you can track, upgrade and share cooking menus; enjoy remote interaction with sister outlets worldwide; and monitor any warnings or malfunctions.

FINANCE OPTIONS AVAILABLE

The SpeeDelight can be yours from from just £6.20 per day - thats less than the cost of 2 paninis.

FINANCE PACKAGES TO SUIT YOUR NEEDS

SpeeDelight Flexible Automatic Plate Model

£6.20 Per day - 3 Year finance package

£8.71 Per day - 2 Year finance package

SpeeDelight Manual Adjustable Tube Model

£5.69 Per day - 3 Year finance package

£7.99 Per day - 2 Year finance package

Money-saving

A quick-service restaurant serving an average of 180 sandwiches a day, 7 days a week, working 10 hours a day will **save more than £500*** over the course of a year! SpeeDelight consumes half the electricity compared with other solutions using microwave systems, and that adds up to big savings.

*Contact Electrolux Professional for details.

Multiple targets

SpeeDelight is the ingenious solution for everyone in the **business of serving snacks**: pubs & bars, QSR, coffee shops and retail outlets that aim to serve fine food with record speed. Whatever your business, SpeeDelight will come to the rescue in terms of time, money and quality.

Green technology

The exclusive **Energy Saving Mode** is good for the environment and your customers' bottom line. Close the cover once the stand-by notification appears and SpeeDelight will consume **60% less energy**.

Customer care

With the **SpeeDelight Advantage** package, one-size-fits-all service is a thing of the past and assistance is tailored to the customer's needs. A complete range of **accessories and consumables** will keep your SpeeDelight in top condition, while targeted troubleshooting in case of errors will solve any problems quickly and with minimal disruption.
